Subject ALTERNATE MAILING ADDRESS FOR OAZ BILL
PAYMENT

Maggie, I received a call from Jan Stephenson (314-342-7791) of Peabody Energy. This company purchased Blue Tee years ago. Blue Tee is the Performing Respondent for the Old American Zinc Plant Site RI/FS.

Jan is ready to send us a check for the April 18, 2006 oversight bill. I told her not to send a check until we re-issue the bill. I also told her that you e-mailed Terri Faye of Blue Tee to that effect.

Anyway, Jan said she can't Fed-Ex a bill to a P.O. Box address. Therefore, the EPA address with the P.O. Box on the front of the April 18 letter doesn't work for her.

Should I tell her to use our regular 77 W. Jackson Blvd. address, or is there another designation she should use?
